

From Points North

Take Route 93 South to Exit 26: the "Storrow Drive/Back Bay" exit. Once on Storrow Drive follow the signs for the "Government Center/Kendall Square" exit. Take the Government Center Kendall Sq exit and at the stop sign, turn right and cross over the Longfellow Bridge. Take a right at the end of the bridge onto Memorial Drive/Route 3 West. Follow Memorial Drive through four sets of traffic lights. At the fifth set of lights, turn right onto River Street (Mobil Station on corner). Take first left onto Blackstone Street. The entrance to 840 Memorial Drive, also referred to as the Riverside Technology Center will be the first driveway ahead on the left-hand side of the street.

From Points South

Take Route 93 North to Exit 26: the "Storrow Drive/Back Bay" exit. Once on Storrow Drive follow the signs for the "Government Center/Kendall Square" exit. Take the Government Center Kendall Sq exit and at the stop sign, turn right and cross over the Longfellow Bridge. Take a right at the end of the bridge onto Memorial Drive/Route 3 West. Follow Memorial Drive through four sets of traffic lights. At the fifth set of lights, turn right onto River Street (Mobil Station on corner). Take first left onto Blackstone Street. The entrance to 840 Memorial Drive, also referred to as the Riverside Technology Center will be the first driveway ahead on the left-hand side of the street.

From Points West

Take the Massachusetts Turnpike (I-90) to Exit 18: "Allston/Cambridge." This is on the left-hand side. After the toll, bear right towards Cambridge. Go straight through two sets of lights and over the River Street Bridge. Cross over Memorial Drive at the end of the bridge and take the first left onto Blackstone Street. The entrance to 840 Memorial Drive, also referred to as the Riverside Technology Center will be the first driveway ahead on the left-hand side of the street.

From Logan Airport

Follow signs to the Sumner Tunnel. Upon exiting the tunnel, stay to the left and follow signs for Route 93 North. Take 93 North to Exit 26: the "Storrow Drive/Back Bay" exit. Once on Storrow Drive follow the signs for the "Government Center/Kendall Square" exit. Take the Government Center Kendall Sq exit and at the stop sign, turn right and cross over the Longfellow Bridge. Take a right at the end of the bridge onto Memorial Drive/Route 3 West. Follow Memorial Drive through four sets of traffic lights. At the fifth set of lights, turn right onto River Street (Mobil Station on corner). Take first left onto Blackstone Street. The entrance to 840 Memorial Drive, also referred to as the Riverside Technology Center will be the first driveway ahead on the left-hand side of the street.

From Storrow Drive

Follow Storrow Drive until you reach the River Street Bridge. If coming from the east, the Bridge is on your right; from the west, it's on your left. Cross over Memorial Drive at the end of the bridge and take the first left onto Blackstone Street. The entrance to 840 Memorial Drive, also referred to as the Riverside Technology Center will be the first driveway ahead on the left-hand side of the street.

From Memorial Drive

Follow Memorial Drive until you reach River Street. If coming from the east, River Street is on your right; from the west, it's on your left. When on River Street, take the first left onto Blackstone Street. The entrance to 840 Memorial Drive, also referred to as the Riverside Technology Center will be the first driveway ahead on the left-hand side of the street.

There is visitor parking at the front of the building. TransMolecular, Inc. is located on the second floor.
